**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I live in a semi-rural area with very limited options. We need more competition, not less.

Limited competition will lead to price hikes that will make internet unaffordable for me, a retired senior on a fixed income.

I am with my current provider because they offer what I need at the best price and with excellent customer service as opposed to my previous provider which was ATT.
